## Full Time Vacancy: Full Stack Developer

eduFOCUS Limited seeks an enthusiastic and competent developer to join the team as 'Full Stack Developer' based at its Woodbridge (Suffolk) office. We are a successful and expanding IT company that specialises in providing web services to more than 240 Borough and County Councils/Multi-Academy Trusts, and more than 21,000 schools across England, Scotland and Wales and overseas.

eduFOCUS are an established small business that retains the collaborative and supportive feel and culture of a startup. Everyone in our team works closely together sharing ideas and assisting each other in different areas of the business. The successful applicant will be an enthusiastic team worker that is well organised, self-motivated to work with minimal supervision, able to handle several tasks simultaneously, and keen to learn. As a developer you will be involved in creating, updating and supporting frontend and backend applications, coordinating and supporting integrations with third party providers, working with data centre staff to maintain infrastructure, and providing 2<sup>nd</sup> line client technical support.

eduFOCUS adopt a "Total Rewards" approach to rewarding team members that includes competitive salaries, generous annual leave allowances, an employer contribution pension scheme, a relaxed and informal office environment, opportunities for career diversity and progression, comprehensive industry and product training, team member social events calendar, and more.

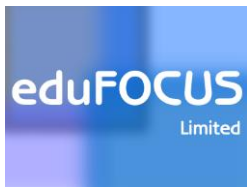

We are looking for candidates that are the "right fit" for our small and successful team, and as such the precise details of the position can be moulded. This is an excellent opportunity for graduates looking to embark on an exciting new career, or for those with extensive previous experience of similar work, and anyone in between. The successful candidate will be able to offer knowledge/expertise in working with HTML5, Javascript, JQuery and CSS, along with experience in working with MySQL databases and a server-side scripting language such as ASP, PHP, or ASP.net.

### Key points:

- ✓ Full-time permanent contract
- ✓ Salary £30,000-£35,000 per annum
- ✓ 35 Hours (Monday – Friday 09:00-17:00)
- ✓ 28 days annual leave + Bank Holidays
- ✓ Web and mobile development
- ✓ Managing MySQL databases
- ✓ Managing 3<sup>rd</sup> party integrations
- ✓ Providing 2<sup>nd</sup> line technical support

If you think that you might be the "right fit" for eduFOCUS and this position, then we would love to hear from you. Simply send us your CV and a letter of application outlining why you think that you would be a "good fit".

Please send a letter of application and CV to [jobs@edufocus.co.uk](mailto:jobs@edufocus.co.uk)
